About This Collection

Toriel, Yang, and Shenhe each take a turn, with Yang over Blake and Shenhe over Lumine. Smothering runs through nearly every animation. Furry compilations sit next to single clips, plus a big ass game girl and an ugly girl who does not hold back. Anime girls and game girls fill this face farting set, among them Ashe, Loona, a slug girl, and a bunny eared newcomer. The link above opens the full gallery.
